

Kings Landing

MAYORAL CEREMONY 11.02.14

SPECIAL POINTS OF INTEREST:

- Kings Langley is renamed to **Kings Landing** from 11.02.14–23.02.14
- Kings Langley School choir sings **Rains Of Castlemere**
- Kings Langley D&T students create **Sigils** representing the 10 houses in Game of Thrones

© Eddie Dillon

The signs at the entrances to Kings Langley have been replaced for 2 weeks to become the entrance to the fictional capital of the Seven Kingdoms of Westeros.

A group of Gifted and Talented students spent their lunchtimes in the textiles department creating a sigil for each of the 10 houses. E.g. House Baratheon's motto is "Ours is the Fury." King Robert Baratheon was a member of this House, Ruler of the 7 Kingdoms, along with his children; This is the youngest of the Great Houses. Or House Targaryen; The Targaryen sigil is a three-headed dragon, red on black. The three heads are supposed to represent Aegon and his sisters, founder of the Old Dynasty.

The school choir and instrumentalists spent their lunchtimes in the music department arranging the score from Rains of Castlemere. The lyrics heavily reference the fact that the sigil of House Reyne was also a lion, but a red one instead of the golden lion used as the sigil of House Lannister.

The sigils were on show as the students braved the elements and marched to the high street followed by the choir members. As local and national media were poised to take their snaps—the heavens opened!

The Young Pretender provided a shelter for the students and the choir performed for the visitors and various film crews—5 performances in all!

Two media students have filmed the entire project including an interview with the mayor—look out for the clip which will be available on the school website after half term.

The sigils are on display in the Young Pretender during half term—please do visit and vote for your favourite sigil—the students of the winning sigil will receive a prize.
